About Esteem Multi-Academy Trust

Esteem Multi-Academy Trust currently comprises of eleven academies throughout Derbyshire, Derby City, and east Staffordshire. Formed by a group of like-minded school leaders in August 2018, the MAT is currently responsible for the education and care of approximately 1,200 students and employs around 750 staff. The total revenue budget for the MAT is approximately £23 million and plans are in place to expand further.

Esteem Multi-Academy Trust includes 7 special schools, 3 alternative provision academies and a mainstream infant and nursery school with an enhanced resource provision educating young people with autism and learning disabilities. We wish to grow further to fulfil our vision to become a centre of excellence for special educational needs and disabilities (SEND) in the midlands. We have a well-defined set of values and a clear vision for the MAT to become a regional hub for expertise in SEND and inclusion. We share a collaborative ethos, believing that we can achieve more for our pupils as a collective group of schools than we could separately. Our academies focus on the holistic needs of the young person, due to students' vulnerabilities. So, 'joined-up thinking', between our academies and different agencies, is essential to deliver the right support for our students.

The main aims of Esteem MAT are to:

- Provide an ambitious, inspirational, bespoke education, setting the foundation for the future and ensuring our young people are ready for the world;
- Deliver high standards and value for money from our support services, resources, estate and technology; and
- Invest in and support our people, exploiting opportunities for collaborative, continual professional development, sharing of expertise and best practice.

As a group of academies working together, we can share and deliver better practice. We will be able to commission health, care and therapy services in a fully 'joined-up' way.

Holbrook School for Autism

About Holbrook School for Autism

Holbrook School for Autism provides specialist education and care for students with a diagnosis of autism aged 4-19, split over two sites in Holbrook and Belper; there are currently 132 students on roll. We also have a residential facility based at the Holbrook site that provides accommodation for up to 28 students a week, 7 per night, Monday to Thursday term time only.

The main cohort of our students have autism with profound learning difficulties and can present extremely challenging behaviour. The academy practices 'Team Teach', a holistic approach to behaviour support and interventions.

In addition to the main school, we also have a provision known as 'The Hub', which supports primary aged students with autism who can be working at age-related expectations. These students are currently unable to access mainstream school due to complex needs and behaviours and may have additional mental health needs.

Based in a rural area, Holbrook site has expansive grounds housing specialist climbing equipment for the younger students, trampolines and outdoor gym equipment. It also has access to a wooded area enabling us to provide Forest Schools.

The Belper site accommodates four classes of students aged 14-19. The town location allows for community cohesion, work experience opportunities and has good access links enabling students to participate in travel training.

We provide a personalised curriculum, designed to address the holistic needs of our students. Students have identified differentiation as part of their 'My Plan' and individual timetables as appropriate, as well as working on the key skills of literacy, numeracy, and all the national curriculum subjects.

Situated in Derbyshire, most of our students live within the county including a significant number from Derby City. We also accept a small number from Staffordshire and Nottinghamshire.

The possession of a criminal record will not necessarily prevent an applicant from obtaining this post, as all cases are judged individually according to the nature of the role and information provided.

Esteem Multi-Academy Trust's Safeguarding Policy applies to all adults, including volunteers and agency staff, working in or on behalf of the MAT.

Each student's welfare is of paramount importance. We recognise that some children may be especially vulnerable to abuse e.g. those with special educational needs and disabilities, those living in adverse circumstances. We recognise that children who are abused or neglected may find it difficult to develop a sense of self-worth and to view the world positively. We recognise that some children who have experienced abuse may harm others. We will always take a considered and sensitive approach in order that we can support all students within our academies.

The MAT pays full regard to the DfE 'Keeping Children Safe in Education September 2021' guidance. We ensure that all appropriate measures are applied in relation to everyone who works for the MAT who is likely to be perceived by the students as a safe and trustworthy adult including volunteers and agency staff. As part of our safer recruiting practises, we scrutinise applicants; verify their identity, academic or vocational qualifications, obtain professional and personal references, check full employment history and ensure the applicant's health and physical capacity is suitable to undertake the role. Interviews and DBS checks are also undertaken.

This post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as "spent" must be declared.

If you are currently working with children, either paid or voluntary, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings.

If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues.

Where neither your current or previous employment has involved working with children or young people, your current employer will be asked about your suitability to work with children and young people, although it may be answered "not applicable", where appropriate, if your work has not brought you in to contact with children or young people.
